

TITLE: Programme Developer (Ministry Training for New Migrant Leaders)
REPORTS TO: Director of Ministry Training

MAIN OBJECTIVE

To develop a Ministry Training Programme for new migrant Church leaders

- Non NZQA
- A simple-English programme designed specifically to be welcoming to immigrants
- Designed to encourage some into training who would not otherwise undertake it
- Have a strong evangelistic focus
- Designed as a bridge for some into more formal training
- Recognised by a Carey Cert/Diploma on completion
- Held at Carey
- Carey faculty members involved
- Other teaching partners recruited
- Launching start of 2017

OUTCOMES

- Curriculum developed for 2017 launch programme.
- Communications developed for stakeholders (including Programme prospectus).
- Development of a scoping document/plan addressing the framework and resourcing needed to meet the long-term vision for the Programme.

KEY COMPETENCIES AND SKILLS

- Relating - ability to relate well with people of other cultures; able to gain their confidence and hear their perspectives. Proven ability to build bridges of understanding and co-operation among diverse groups.
- Vision – for healthy churches amongst immigrant communities in NZ; for the development of Christian leaders in those communities; for better relationships and partnership between minority culture Christians and the wider NZ Church.
- Educational understanding and skills (not only content knowledge but awareness of how learning works), and ability to relate these to developing programmes for ESL students.
- Experience in Christian ministry/leadership training.
- Ability to produce course materials.
- Alignment with Carey/Baptist Churches of NZ ethos and convictions.
- Initiative and adaptability.
