APPLICATION

Applications by way of a Scholarships Application Form close with Carey on 1 March and 1 August in the year of the Scholarship. Students may apply directly or be nominated by a third party.

Notes I-III below are deemed to be regulations.

- I. The Scholarship will normally be available only to full-time students who are not otherwise employed more than ten hours per week.
- II. For the purposes of this Scholarship, academic merit is assessed as a GPA or GPE obtained over the applicant's most recent two years of full-time graded study (or equivalent). Contribution to the life and ministry of the church will be determined by a range of factors, including a reference from a Pastor or Church Leader. Financial hardship will be determined by a range of factors including eligibility for a StudyLink Student Allowance, and personal and financial circumstances. Candidates need to demonstrate that they are experiencing financial hardship, and that they are struggling to meet basic living costs. Incurring debt is not evidence of financial hardship. Applicants will be asked to provide their Māori whakapapa, or evidence of Pasifika identity.
- III. Payments under the terms of this Scholarship remain tax-free as long as they are used directly for the payment of costs associated with a Scholar's programme of study. Failure to comply with this regulation will result in the termination of the Scholarship.
